

Accountability Report

Total Pledged: \$9,324,978
Total Cash Received: \$9,290,497

Despite a very difficult economy, parishioners of the Archdiocese have once again been very generous to the Archbishop's Annual Appeal. It is with gratitude for this generosity that we are able to report pledges totaling \$9,324,978. As of January 5, 2010, 99.6% of these pledges have been received in cash. When the needs were so great, we are truly thankful for the generosity of our faith community.

The Vicariate Outreach Program was begun thirteen years ago to provide much needed financial assistance to worthy community based charities. The 2009 Vicariate Outreach Program distributed \$738,500 to more than 250 local charities reaching virtually every city and town in the Archdiocese. The Vicariate Outreach Program enables us as Catholics to reach beyond our local parish and live the gospel message by responding to the needs of Christ's Universal Church.
